

**Today**  
BELOW \$1 A BUSHEL.  
ONE PROBLEM IGNORED.  
WHY NOT HIRE GUNMEN.  
NO GOD EXISTS.  
—By Arthur Brisbane—  
(Copyright 1930 By King Features  
Syndicate, Inc.)

YESTERDAY the price of wheat dropped below \$1 a bushel which which offsets a good deal of talk about relieving the farmer.

WE HAVE A PROHIBITION problem, and heaven knows we talk about it. We appoint commissions, shoot bootleggers, they shoot enforcement agents.

We also have a serious problem of unemployment, and unfortunately it is getting bigger. Nobody in the government seems to know that there is any unemployment problem, or to be actively interested in it.

FRANK McERLANE, under the name of "Charles Miller," lay in a private hospital, his right leg in a cast, hung high in the air.

As he lay in his cot, other gangsters climbed the fire escape to his floor and opened fire. McErlane replied with an automatic hidden under his pillow.

IN OLD DAYS, ITALIAN cities hired and paid well the most savage fighters they could find, and built magnificent statues in their honor.

With our crime wave too much for the police, it might be worth while to hire some fighters of the McErlane type to work on the side of law.

RUSSIA continues her systematic drive on religious belief, and the right to religious belief. More churches and synagogues are confiscated or destroyed and many Mohammedan mosques.

Russia apparently objects to the suggestion that anybody except Lenin might have something to do with the management of this earth and the universe around it, whether it be Jehovah, the Christian God and Trinity, or Mohammed's Allah.

EIGHT THOUSAND enthusiastic athletes volunteered to tear down a monastery.

Art treasures in the churches confiscated are to be changed into money used to buy tractors for Russian farms.

CANTON, O., Feb. 26.—With rivers and streams out of their beds and rising at the rate of from three to four inches an hour, Stark county's flood situation was becoming acute this afternoon. Practical all roads south of Canton were impassable at noon. Boats were being used in several sections to carry persons across flooded areas.

WASHINGTON, Feb. 26.—Unable to obtain an agreement to limit debate, senate leaders served notice today they would hold continuous night sessions beginning tomorrow until the tariff bill is disposed of.

LONDON, Feb. 26.—The Chief delegates to the naval conference today decided to resume work immediately on their negotiations and to continue on the work except where it might be inimical to French interests.

WASHINGTON, Feb. 26.—A series of amendments to the World War veterans' act which would carry a \$100,000,000 a year additional government expenditure, were approved today by the house veterans committee.

MIAMI, FLA., Feb. 26.—Max Schmeling the German heavyweight slated to fight the Sharkey-Scott winner for the "world's championship" at New York in June, broke his right thumb three weeks ago and may never fight again, according to a cablegram received from Schmeling today by Frank J. Bruen, general manager of Madison Square Garden.

CHICAGO, Feb. 26.—More than 150 unemployed men, who attempted to meet in Musician's hall on the near west side today were arrested on charges of vagrancy. Police established a guard about the hall and loaded the prisoners into patrol wagons as fast as they arrived.

# BURGLARS ENTER THREE SALEM HOUSES

## Nick Declared Insane By Jury

### OTHER GUN USER GETS SENTENCED TO PENITENTIARY

Man Who Shot Wife Must Serve Ten to Twenty Years for Crime

### SLAYER MAY GO TO LIMA INSTITUTION

Shot Christy Bazaras on Lisbon Street Last Year; Confessed

LISBON, Feb. 26.—Two cases involving Columbiana county men, one on a charge of murder and a second on a charge of shooting with intent to kill, were in common pleas court here today with the result that Dominick Gallicchio will serve a sentence of 10 to 20 years in the Ohio penitentiary and George Nick will probably be committed to a state hospital for the criminal insane.

Gallicchio, formerly residing near Lisbon, was given the penitentiary sentence after he changed his plea of not guilty to a charge of shooting with intent to kill, his wife Mrs. Rose Gallicchio, to one of guilty. The sentence was imposed by Judge W. F. Lones at 11:25 a. m.

He shot and critically wounded his wife on December 12, 1929, following an argument at Mrs. Gallicchio's home where she had refused to allow him to return.

Couple Was Estranged  
They had been estranged for some time. Gallicchio being accused of having returned for the purpose of securing money from his wife. He shot her in the chest and was later arrested and attempted to escape at Wellsville.

Nick, 38, of Lisbon, indicted for the murder of Christ Bazaras last December, was adjudged insane by a jury composed of nine men and six women. Hearing on the case was held in Judge Lones' court Tuesday afternoon, the verdict being handed down at 10:03 a. m. today.

The decision that Nick is mentally irresponsible, was rendered by Dr. A. G. Hyde, superintendent of the state hospital for the insane at Massillon, who attended the hearing in capacity of alienist.

Defendants in both cases were represented by Attorneys George T. Farrell of Lisbon and Homer H. Hickling of Salem. The state was represented by Prosecutor John E. Baucknecht and his assistant, G. E. Lafferty.

Sessions in Nick's sanity hearing started Tuesday afternoon the court adjourning at 4:30. The case was again opened at 9:30 today when Judge Lones charged the jury.

### SENATE WARNED AGAINST BOMBS

Letters Threaten to Use Explosives in Room At Capitol

(By The Associated Press)  
WASHINGTON, Feb. 26.—Lots of laughter and a little uneasiness makes up the senate's response to a series of threatening letters recently received by several of its members.

Most of the senators are inclined to regard the missives as the work of some harmless crank and scoff at the possibility of danger. One member, however, grew apprehensive at a letter threatening to toss bombs into the senate chamber and suggested several buckets of water be kept at hand for this emergency.

Vice-President Curtis, Republican Leader Watson and Senator Copeland are among those who have received letters. Copeland's warned him to stay away from the senate for a couple of weeks. Senator Watson laughed and tossed his letter into a wastebasket.

However, most of the epistles have been turned over to the department of justice for investigation, and there is some evidence at the capitol of the activities of its agents.

David Barry, the senate sergeant-at-arms, says that no special precautions have been taken since the receipt of the letters. Access to the senate chamber is always carefully guarded by doorkeepers and their number has not been increased.

Water Off  
City water will be turned off from 9 until 10:30 a. m. Thursday on Washington ave. from East State st. to Maple st.

### Spotter

ALFRED LIZOTTE, alleged "spotter" for Maine Federal prohibition agents, who is said to have bragged of his former position as "king bootlegger" of Aroostook County. He said his salary was \$200 weekly and admitted that his expense account "ran into money."

### NAVAL AVIATOR KILLED AT SEA AS PLANE FALLS

Craft Flies to Bits as Pilot Dives in Mimic Warfare

(By International News Service)  
ABOARD U. S. S. TENNESSEE, Via Balboa, Canal Zone, Feb. 26.—Ensign W. McMullen, U. S. N. R. was instantly killed in a spectacular aerial accident while "enemy" planes from the airplane carrier U. S. S. Lexington, made a bombing attack on her sister ship the U. S. S. Lexington.

McMullen, who lived at Detroit, Mich., flew at the Cleveland air races last year as a member of the "high hats," a noted flying squadron.

From a height of 5,000 feet, McMullen put his plane into a vertical dive and dropped in the direction of the forward part of the Lexington at an estimated speed of between 250 and 300 miles an hour.

At an altitude of 300 feet, McMullen pulled his plane sharply out of the dive. When his ship reached a position of about 45 degrees from the vertical, the plane suddenly disintegrated. After the wings and the tail surface of the plane broke into small bits, the fuselage did a half roll and plunged into the sea with its engine turning at high speed.

After an intensive but unsuccessful search for McMullen's body, the destroyer, Pruitt rejoined the fleet.

### ROTARIANS SEE PARK PICTURES

Former Salem Man Shows Beauties Of National System At Noonday Meeting

Pictures of national parks in the United States were shown by George Cooper of Youngstown, former Salem resident, to Rotary club members at the Elks home Tuesday noon.

Cooper explained scenic beauties of various parks as they were flashed on the screen. He visited the parks personally where he photographed interesting parts of the parks and later colored the slides for screen purposes.

The meeting was in charge of Frank G. Harris who presented Cooper.

Rotarians were urged to make plans to attend the annual district Rotary convention which will be held in Cleveland next May. Delegates from the Salem club to the event will be named soon.

Expect Progress On Semi-Valley Route  
County commissioners have informed the surety on the bond of Dennis & Sturgess Co., contractors on the Valley-Salem rd., that the contract has been declared in default, and that it is now up to the surety on the bond to immediately proceed with the grading.

### WARM WEATHER ENDS AS HEAVY RAINS FALL OVER COLUMBIANA CO.

Road Damage Reported in Nearby Area; Ohio River Rises

With heavy rains falling all over Columbiana county, weathermen predicted that the unseasonable weather which has prevailed for the past week will come to an end. Rain falling on the soft earth caused several "slips" at cuts on main highways, according to reports today. The California Hollow rd. was covered with earth at several points and state highway department equipment is clearing the road. One-way traffic is being maintained.

Automobiles were stalled at Elkton as a creek there came over a street.

Ohio River Rises  
East Liverpool reported that the Ohio river was rising rapidly and had attained a 25-foot stage at noon. Thirty-three feet is flood stage. A landslide was also reported at East Liverpool.

Rainfall in Salem neared an inch and one-half in the last 24 hours, according to a report at noon today by R. P. Vickers, city chemist.

ZANESVILLE, O., Feb. 26.—Damage from the tornado that swept this section Monday night will reach a quarter of a million dollars it was announced today after a check had been completed. The Robinson-Ransbottom pottery plant was damaged more than \$100,000.

Mrs. Louis Owens, 48, of near Roosevelt, was still in critical condition from injuries received in the storm. Three others who suffered minor injuries have recovered.

### NEW GANG WAR; GUNMAN CLAIMS

Injured Gangster Sounds Tocsin, From Bed In Mother's Home

(By The Associated Press)  
CHICAGO, Feb. 26.—The wounded Frank McErlane, "the tough one" lay today with three bullet wounds in his body and sounded the tocsin of a new gang war.

From his sick bed at the home of his mother, where he was removed last night—police having no charge on which to hold him—McErlane said:

"The war is on—and it won't be any pogon war!"

McErlane, credited with having conceived the death strategy known as "the ride," is recovering from an attempt upon his life. The attack was made Monday night at the German Evangelical Deaconess hospital where McErlane, under an alias, was being treated for a bullet wound which he claimed was accidentally inflicted. His assistant stood at the door of the hospital room, emptied their pistols and fled when McErlane replied with shots from a pistol he had concealed under his pillow.

"Never mind who shot me" he said when police questioned him last night. "I'll take care of myself. McErlane takes care of McErlane. Remember the next time you find some rat dead in a ditch. Like a sieve. Remember what happened to—never mind."

### Brown to Run

COLUMBUS, O., Feb. 26.—Secretary of State Clarence J. Brown has announced his candidacy for renomination, following his endorsement by more than 60 county Republican organizations. Brown is now serving his second term.

### Bible Occupies Time Of Dr. Snook In Death Cell At Penitentiary; In Excellent Spirits

Remains in Good Spirits As Time For Death Draws Near  
(By The Associated Press)  
COLUMBUS, O., Feb. 24.—Dr. James H. Snook, the former professor of veterinary medicine at Ohio State university who is scheduled to go to his death in electric chair at Ohio penitentiary Friday, has spent most of his time since entering the prison in reading—principally the Bible.

Quite frequently the professor dons headphones and listens on the radio installed in death row. This received has headphones reaching into both cell blocks and the doctor has expressed a preference for sporting events.

Since entering the penitentiary Dr. Snook has made a noticeable gain in weight. He remains calm, talks politely and often smiles, officials said. Nervousness, displayed

### ATTORNEYS IN FINAL EFFORTS TO SAVE SNOOK

Conference Before Cooper And Clemency Board On Thursday

SCHEDULED TO DIE EARLY ON FRIDAY

Supreme Court Denial of Appeal Left But One Chance

COLUMBUS, O., Feb. 26.—A scheduled conference of Gov. Cooper and E. O. Ricketts, attorney for Dr. James Howard Snook, who is to be electrocuted Friday for the murder of Miss Theora Hix, was postponed today until 11 a. m. tomorrow when the entire case will be presented to the governor and the board of clemency.

The conference which was to have come at 1:30 today was postponed at the request of Ricketts who told the governor that he desired an interview with Dr. Snook before taking the case before the board of clemency for review.

The governor was advised that the clemency board, Dr. Snook's attorneys, a representative of the attorney general's office and Franklin county Prosecutor John J. Chester, Jr., will meet with him on the matter.

Dr. Snook lost his final appeal in the courts yesterday when United States supreme court rejected his application for a review. Atty. Ricketts is carrying the case to the governor and the clemency board for a review of the evidence in an effort to obtain commutation of the death sentence.

When Ricketts first asked the governor to permit a conference he told the chief executive that a stay of execution would be asked for the purpose of presenting the matter to the clemency board.

### WET HEARINGS ARE RESUMED

Evidence Will Again Be Heard By Judiciary Committee

WASHINGTON, Feb. 26.—Opponents of the dry laws returned today to their attack upon the 18th amendment and conditions which they attribute to it, with the house judiciary committee resuming its prohibition hearings.

Half of the day's session was set aside for witnesses advocating the adoption of a resolution modifying the laws to permit the government to sell liquor in packages. Rep. Sabbath Democrat, Illinois, is the author of the measure.

Otherwise, the hearings were on measure proposing the outright repeal of the prohibition amendment. The wetts were given today and tomorrow, to complete the presentation of their testimony, but there were so many witnesses still to be heard that it was considered doubtful that there would be time for all.

### PLANT WRECKED BY EXPLOSION

Fire Follows; Loss Set At Hundred Thousand; Many Out of Work

CRESTLINE, O., Feb. 26.—More than 100 men had today been thrown out of employment by a fire which completely destroyed the foundry of the Schill brothers above and furnace plant here last night. The fire was caused by a terrific explosion in the core oven room.

Damage was estimated at approximately \$300,000. Four employees were in the plant when the explosion occurred, but all escaped injury.

### Four More Occupy Death Cell With Slayer of Ohio U. Co-Ed

A brown sweater and a checkered cap have been the regular wearing apparel for Dr. Snook in death row, he wore the articles when he entered prison and daily puts them on while walking about his cell.

Arthur Maul, Akron, former cell mate of Dr. Snook walked to the death chair from the same cell and since that time three others have been added to its population.

Dr. Snook's present cellmates are Lawrence Dull, Tiffin, to die June 11; James Littler, Athens, to die April 3, and John Richardson, Akron, to die March 21.

In an adjoining cell, maintained for Negroes sentenced to the electric chair are three prisoners, Roy Brown, Columbus, to die June 20; Robert Evans, Cincinnati, to die March 7, and Lee Akers, Cleveland, to die April 20.

### Wins Bracelet

MISS VIRGINIA PEARSON, of Stockton, Cal., girl aviation student, was presented with a "Bobby Trout" identification bracelet. The bracelet bears Miss Pearson's name and her finger print engraved upon it.

### INSURGENTS IN SANTO DOMINGO; NO BLOODSHED

Take Capital of Republic Without Fighting; Politics Cause

PRESIDENT NOW SEEKING REFUGE

American Minister Tries To Bring Peace In Small Republic

(By The Associated Press)  
SANTO DOMINGO, DOMINICAN REPUBLIC, Feb. 26.—Insurgents entered the city this morning and took possession of public buildings and the fortress without loss of lives or bloodshed.

It was rumored that President Vasquez and Vice President Alfonseca were refugees at the American legation.

The insurgent movement had its inception last Sunday when the national guard in the northern part of the republic revolted and occupied the towns of Monte Cristi, Concepcion De La Vega, Santiago and Mori.

It was necessary Monday for Senora De Vasquez, wife of the president, to seek refuge in the American legation, while her husband fled to the fortress which guards the capital city where the officers were said to be still friendly to him.

The vice president, Doctor Jose De Alfonseca, resigned his office in the face of the growing opposition, but yesterday was understood to be reconsidering, with possibility he would withdraw the action.

Last night a rebel band camped outside of Santo Domingo while an emissary of the American minister, Charles B. Curtis, attempted to make peace between the insurgents and the government at the insurgent stronghold, Santiago.

The insurgent disaffection grew out of President Vasquez announced intention of seeking re-election May 15. He was elected in 1924, for a four year term, but in 1927 had the term extended two years.

Proposals for a provisional government which would assure a "free" election, May 15, were submitted to him, but it was understood he turned them down.

### MERCURY SLIDES BACK IN PLACE

Mid-West Temperatures Back Where They Belong For The Time Of Year; Rejoicing

(By The Associated Press)  
CHICAGO, Feb. 26.—The temperature today slid back to the thermometer thirties where it belongs. There was some snow, some sleet, some rain. There were mercury drops of as much as 30 degrees. Yet nowhere in the midwest was it cold.

St. Paul, Minn., saw the red line drop to 27 degrees above zero during the night, and snow succeeded the rain that fell yesterday. Elsewhere for the most part, the readings were 30 or better, contrasting with the summery sixties that preceded them earlier in the week.

The general forecast for most of the area was "rather cold" today, with snow in many places. The weather bureau saw no severe cold in prospect.

Fruit growers, most of all, appreciate the departure of warm weather, which threatened to bring forth buds on trees and vines, with the danger of subsequent freezes.

DANCE SAT. MAR. 1. ROUMANIAN HALL LADIES AND GENTS. 50c. MUSIC BY PAT BOLEN AND HIS ORCHESTRA. EVERYBODY WELCOME.

THURSDAY SPECIAL. 15c RAISIN BREAD AT 10c FAMOUS MARKET. PHONE 529.

### POLICE DISCLOSE ROBBERIES HERE OVER WEEK-END

Valuables Again Remain Intact After Homes Are Ransacked

SEVEN HOMES ARE ENTERED IN WEEK

Authorities Believe All Work Done by Same Criminals

Three Salem residences were burglarized last Saturday night and early Sunday morning, Police Chief T. W. Thompson revealed Tuesday afternoon.

Total loot obtained by the burglars in the houses amounted to less than \$30. The thefts brought the total number of burglaries occurring in this city in the past week to seven. Four houses having been ransacked here during last Wednesday night and Thursday morning.

Fourteen dollars in cash was taken by the burglars from a Buckeye ave. residence which is believed to have been entered sometime late Saturday night.

The W. B. Townsend residence, 745 West State st., was entered through a window leading into a bathroom and the entire house ransacked. Three dollars were taken but other valuables were left untouched.

Leave Door Open  
The thieves, after giving the house a thorough search, boldly walked out the front door of the home, leaving the door unlocked, the police report states.

S. G. Herbert, residing at 707 West State at reported that a silver dollar was taken from his home by intruders between 7 and 10:30 p. m. Saturday. The family had been away between those hours, returning at 10:30 to find their home had been ransacked, thoroughly but nothing taken except the one dollar.

The Herbert residence was entered by breaking a lock on a rear window.

Each of the seven robberies occurring here in the past week, police state, have indications that all were accomplished by the same burglar or burglars. In all seven cases homes were ransacked but nothing taken except money. Valuables such as jewelry, silverware were left untouched.

Total loot in the seven burglaries is said by police to amount to less than \$35.

### MATHEWS NAMED TO STATE POST

Salem Waterworks Clerk Appointed Assistant State Examiner

Carl L. Matthews, Salem waterworks office clerk, was appointed assistant state examiner by State Auditor Joseph T. Tracy today.

Matthews was ordered by Tracy to report for work at the state auditor's office in Columbus Monday, March 3 and will be assigned to duties as assistant to Examiner Walter C. Jones, in Belmont and Jefferson counties, immediately.

He will submit his resignation as city clerk to Service Director Clyde R. Reich today and expects to leave for Columbus Sunday.

Matthews took the state examination for the position last November, qualifying with a high mark, following which he was certified by Tracy for the appointment in December. He will be the youngest state employee working under supervision of the state bureau of inspection and supervision of public offices and the second from Columbiana to be employed in that capacity.

Matthews graduated from Salem High school in 1923 where he was awarded first honors in scholastic achievements in a class of more than 100 students.

### Students Qualify At Mount Union

Eight graduates of Salem High school, enrolled at Mount Union college in Alliance, qualified in all requirements at the college with grades averaging "C" and better during the first semester.

The students are: Margaret Bryan, Anna Ruth Miller, Robert Cope, Harold Hurst, Lowell E. Allen, Francis Cooper, Anna Ospeck and Fred Guilford.

## MORE TROUBLE COMING

France seems to face a period of government instability, a fact of the most profound importance to every nation interested in the London Naval conference. While it seems likely that the new ministry formed by Camille Chautemps will slide into power today by a slight margin, there is slight possibility that it will survive the period necessary to come to agreement on the problem of naval armaments.

Of chief importance at the moment, however, is the importance such a cabinet, if it survives its first test, will have on France's delegates. Aristide Briand, who prides himself on his reputation as the world's greatest peacemaker, will fill the place left vacant by former Premier Tardieu. Accompanying M. Briand will be Albert Sarraud, as minister of marine. M. Sarraud represented his country at the Washington conference and is well versed on naval problems. There is no reason to believe that these two men, acting as leaders of their delegation, might alter the outline of French naval needs as laid down by M. Tardieu and former Minister of Marine Leygues, but there is good reason to believe that their firmness may not match that of their predecessors. Representing a party favoring a reduction in armaments, there is a very real possibility that party with Italy may not be as great a consideration with them as it was with M. Tardieu and M. Leygues.

The coalition of parties of the left attempted by M. Chautemps, together with the curious circumstances of the Tardieu government's fall, are said to have revived certain unpleasant rumors which first arose February 17 after the defeat of Premier Tardieu's cabinet. These have to do with the part that the British Labor party may have played in the overthrow. M. Tardieu's stand at London was diametrically opposed to that of Prime Minister MacDonald. M. Briand, playing second fiddle to Tardieu, may have sympathized with Mr. MacDonald's difficulty and acceded to a proposition that a more Socialistic government in France would help ease negotiations. The immediate formation after the Tardieu overthrow of an overwhelmingly radical government is further indication that there might have been a prearrangement.

A governmental set-up which encourages such intrigue as may have taken place between England and France seems cumbersome to the unsympathetic American, but if the shakeup proves beneficial to the London conference it may prove to be of infinite value. As far as France is concerned, the new cabinet is a gamble whose outcome is not momentous. Its fall will merely start the pendulum swinging back toward the Center and the Right—and M. Tardieu. The world will be anxious to see whether that happens before some agreement has been reached by the delegates at London.

Mr. and Mrs. Elmer Windle, East Fourth st., are the parents of a son, born Friday morning.

Mrs. Ambler Smith presided at a gathering of friends Friday evening at her home, North Union st. In guessing contests Mrs. James Probert won first prize.

Thirty-three students of the Salem Business college composed a trolley party Friday evening to Leetonia and were entertained at the home of Miss Gail Huston, a former student of the college.

Smallpox, which claimed quite a number of victims in Ravenna before the disease was diagnosed, has spread to several townships in Portage county.

Mr. and Mrs. Webster Townsend, of New York, will arrive in Salem this evening to spend a few days with relatives.

Errett M. Grable, of Cincinnati, general sales agent for the American Aluminum company, will spend Sunday with his father, Rev. M. J. Grable.

The J. P. Gardner family is having a serious siege of the fever this winter.

In Liberia coffee trees attain a height of more than 20 feet. The price of the product is eight and nine cents a pound at the plantation.

## COURT NEWS

## Asks For Divorce

Wilful absence for over a period of three years, or since June 6, 1926 and gross neglect of duty are causes of action related in a divorce petition filed by Mary V. Maxwell against her husband Hugh Maxwell.

The couple were married July 3, 1906 and two children are of issue, one of which is married. In addition to a decree and custody of a minor child, the plaintiff asks the court to divest the defendant of interest in title to a property she owns at Homeworth.

## Wish to Sell Property

A petition to sell entailed real estate has been filed in common pleas court by W. O. Wallace, trustee under the last will of O. L. Lerner Walters, deceased, against William R. Walters and nine other defendants. The majority of whom reside in the west. The property referred to in the petition is lot 1, Wallace's addition, Columbiana.

Judgment Rendered  
Following a trial to Judge W. F. Lones, there was a finding and a judgment handed down in favor of the defendant in the injunction proceeding instituted by Mike Mangella against A. L. Pugh and others of East Liverpool. An injunction against the defendants for the specific performance of contract was refused, and the temporary restraining order was dissolved and the petition dismissed. The court has also entered a judgment against the plaintiff for the costs of the suit.

May Withdraw Answer  
Leave to the defendants to withdraw their answer and file a demurrer has been granted by Judge W. F. Lones in the case of C. C. Cummings against the American Vitified Products company, and the answer has been withdrawn and the demurrer filed.

In two damage actions filed by Anthony DeGennaro and Louis Feriande against Fred Wilke, the court has granted the defendant leave to file amended answers at once.

## Guarding Your Health

By DR. ROYAL S. COPELAND

## FIGHT DIPHTHERIA—NOW

Most of us can remember how, only a few years ago, thousands of tiny tots were attacked by the dread disease diphtheria. It was tragic to see these little children succumb to this terrible malady. Parents and doctors had to stand by helplessly, unable to cope with the situation.

Within 25 years there has come a great change. After much study and experiment, diphtheria antitoxin was found to be a success in the control of the disease. In New York City, during this period of time, the deaths have been reduced by 80 per cent and the number of cases has been decreased by 39 per cent by the preventive methods which have been developed.

Within the last two years 48 special preventive clinics have been provided in the city by the Health Department. Competent child specialists are in attendance and treatments are given without charge.

It now has been found that toxin antitoxin is a real preventive of this disease. Dr. William H. Park, director of the Bureau of Laboratories of the New York City Health Department, worked for many years on this problem. He should have the gratitude of every man, woman and child for the great work he has done in his research with the development of a real protection against diphtheria. Diphtheria is not now necessary.

To those parents of young children who have not received this simple protective treatment I would say that just as you prize the lives of your children you should not neglect seeing your own doctor, and have this treatment given your child. We must go forward in our winning fight against this disease.

It is the little helpless tots from six to seven months old to children of ten years of age who are most susceptible to this very contagious disease. It is said that about one-third of the children of New York City have not had this treatment and, of course, tens of thousands elsewhere.

The co-operation of every parent is needed to help wipe out this dread disease. We must carry on a crusade against ignorance and fear in handling this situation.

There is nothing to fear in this simple treatment. There is everything to fear in the disease itself. In this treatment there are no apparent after effects. If there is a temporary reaction it is slight and lasts only for a day or two. In young children there is no after effect or a very slight one in some cases. In older children there may be a slight redness at the spot where the injection is made, and maybe a little fever, but this soon passes.

For several years what is known as the "Schick Test" has been used and doctors have been able to locate the children, grown-ups too, who are susceptible to diphtheria and who are likely to take the disease.

So we see what wonderful strides have been made for the protection of these little ones and of adults, too, who may be exposed to this disease.

dread disease. No parent should hesitate a moment to make the children immune from it. You should see your local health authorities, or your doctor, about this matter if you have a child who has not been made immune from diphtheria through the toxin-antitoxin treatment. Do it before it is too late.

Answers to Health Queries  
Mrs. G. E. C. Q.—What should a woman of 23, 5 ft., 7 in., tall weigh?  
A.—She should weigh about 140 pounds.

2.—It may take off any surplus fat but is generally regarded as a body builder and developer.

3.—May be due to over indulgence of swimming, to going in too soon after eating, etc.

John P. Q.—What causes an irritation and dryness of the throat? I am constantly swallowing saliva which relieves me for a while.

A.—You may be troubled with nasal catarrh, with dropping into the throat. With special treatment this condition can be remedied.

E. M. Q.—What causes any ankles to swell?  
A.—Very often poor circulation will cause this trouble and sometimes a heart or kidney condition is responsible. It might be wise to consult your doctor for an examination in order to determine the exact cause.

M. S. Q.—If the hair is wet and put up in combs every other night will that cause falling hair?  
2.—How much should a girl of 17 3 ft. 2 inches tall weigh?  
3.—How can bow legs be made less noticeable?

A.—No  
2.—She should weigh about 115 pounds.  
3.—Consult an orthopedist.

BRUNETTE. Q.—What should a girl of 13, 5 ft. tall weigh?  
2.—Is it safe to use — for reducing?  
A.—She should weigh 105 pounds.  
2.—Not advisable.

The Stars Say—  
For Thursday, February 27

According to the predominant lunar transits this day may be memorable for a singular visitation involving the environment and change of interests as they relate to corporations or secret organizations. There is a menace of fraud and duplicity against which unusual precaution should be exerted.

Those whose birthday it is, may look for a year of irregular experiences of an intriguing nature, with probability of fraud, deception and subtlety against which much precaution is counseled. A child born on this day may be disposed to gain its ends by means of stratagem and expediency rather than open methods. Its general outlook on affairs may be visionary and impractical unless otherwise grounded.

You can't always judge people by their friends. If there is nothing else available, a man will eat tree bark.

## SOMETHING NEW!

**TARDIEU AGAIN SEEKS TO FORM FRENCH CABINET**

**Refuses Task But Accepts Under Urging of President**

**POINCARÉ WILL NOT TAKE WORK**

**Former Premier Claiming Health Bad, Makes Suggestions**

(By The Associated Press)  
PARIS, Feb. 26.—With the Chamberlain cabinet down in ruins, President Doumergue today entrusted the task of forming a new cabinet to Raymond Poincaré, veteran French statesman. The president first called in Tardieu this morning and asked him to form a ministry. But Tardieu refused and suggested former Premier Poincaré, offering to take a portfolio under him which would include his returning to the London naval conference which has been marking time pending solution of the French cabinet crisis.

Poincaré, however, also refused the post, pleading that his health would be wrecked if he took the job now before his strength was restored. He is still convalescent from his recent illness. He advised President Doumergue to insist on Tardieu serving as the new premier.

**Tardieu Gets Mission**  
Later Poincaré announced that having the Elysee palace "that he had been charged with the mission of forming a new cabinet" that he would begin consultations at the Poincaré residence this afternoon regarding the membership of the new ministry.

Poincaré said he had promised President Doumergue he would help Tardieu form a wide union cabinet. Such a union cabinet appears to offer the only possible solution of the present deadlock inasmuch as the chamber of deputies now has defeated in turn a government with right leanings and one with left leanings.

After last night's overthrow of the Doumergue cabinet by fifteen votes in its first appearance in the chamber, Tardieu was marked by President Doumergue as the obvious choice. The president went through the customary formality of consulting President Doumergue of the Senate and President Bouisson of the chamber of deputies and then summoned Tardieu.

**Evenly Divided Situation**  
Tardieu, however, explained that the political situation in the chamber with the right and left so evenly divided, was such that he considered former Premier Poincaré as capable of forming a government of "broad union" in order to get the support of a wider range of parties than any one else. He added that Poincaré was excellently equipped to govern at the present time when France faces four major problems—the naval conference, the young plan execution, the Geneva conference and the Saar arrangements.

But Poincaré had his mind made up when the president's car took him to the Elysee palace. As he counted the steps of the palace he turned to the newspapermen and said:

"You can say in advance that it is 'no'. I cannot. I cannot."

**Ohio Man Must Die In Illinois Chair**  
CHICAGO, Feb. 26.—William Lenhardt, 22-year-old Cleveland youth, was convicted early today of the murder of Milton Vallopolous, restaurant owner, in a hold-up. Death by the electric chair was the penalty voted by the jury, which deliberated only five hours.

Lenhardt's attempt to show that he was in Cleveland at the time of the killing resulted in contempt of court proceedings being started against Mr. Catherine Gidroic, wife of a Cleveland garage owner and defense witness, who admitted signing a receipt attempting to suppress Lenhardt's alibi.

The state charged Lenhardt slew Vallopolous when the latter resisted robbery.

**Song, Dance Act Wins for Mother**  
CHICAGO, Feb. 26.—The little Gaudsmith brothers, Kenneth, nine, and Adolph, seven, put on a song and dance act before Circuit Judge Lynch yesterday, and won their plea to remain with their mother. Their father, Henry Gaudsmith, an acrobat, had petition for their custody, saying their education was being neglected.

It was to show how well their mother had trained them that the boys put on their act. Judge Lynch endorsed them and refused the father's request. He suggested, however, that Mrs. Gaudsmith, formerly a professional dancer, move here from New York so that the children might be nearer their father.

**Minister Dies**  
COLUMBUS, O., Feb. 26.—Death has claimed Dr. William Stuart Eagon, formerly pastor of church in Fredericktown, Apple Creek and Mt. Gilead. He was 90 years old and at one time president of the Associated Charities of Columbus.

**COURT'S RULING HITS MARRIAGES**  
**Claim That Filipinos In California Are of Other Race**  
(By The Associated Press)  
LOS ANGELES, Feb. 26.—The ruling of Superior Judge J. A. Smith that Filipinos are of the Mongolian race and therefore ineligible to marry whites in California was declared by legal authorities here today to have opened the way for invalidation of more than 100 marriages performed in this state.

Authorities said the ruling did not automatically invalidate marriages of Filipinos and whites performed since the passage of the state miscegenation law, but that it affords legal grounds for invalidation proceedings to be brought in individual cases.

The ruling was returned yesterday by Judge Smith in granting a permanent writ prohibiting issuance of a marriage license to Tony V. Moreno, 21, Filipino, and Ruby Robinson, 22-year-old white girl. The writ was requested two weeks ago

by Mrs. Stella A. Robinson, mother of the girl, who contends the prospective bridegroom was a Mongolian. The state law prevents a Caucasian from marrying a Mongolian or a Negroid person.

Judge Smith ruled, in spite of arguments of county counsel Everett Mattoon, who contended Filipinos are of the Malayan branch of the Caucasian race, that "there are only three principal races, white or Caucasian, yellow or Mongolian, and black or Negroid, and Filipinos are yellow."

**Sentence Deferred**  
COLUMBUS, O., Feb. 26.—Sentencing of Julian J. Long, for 20 years a postoffice clerk at Newark, O., on a mail robbery charge has been postponed until Saturday because Judge Hough of federal court here has been informed by Long's counsel that his client is ill mentally.

**Two Are Injured**  
SANDUSKY, O., Feb. 26.—Mrs. R. C. Woudinger and Gordon Mack of Norwalk, were painfully injured when their automobile knocked a street car off the track.

When all other creatures are extinct, men still can breed dogs and horses to shoot.

**LEGGE TO AID FARM TROUBLE**  
**Asks Assistance in Wheat Crisis; Purchases To Be Sponsored**  
(By The Associated Press)  
WASHINGTON, Feb. 26.—Chairman Legge of the federal farm loan board is sponsor of the statement that in spite of some objection within the grain trade, the board intends to continue assisting cooperative farm associations in purchasing wheat as a means of stabilizing the price of the commodity.

Addressing an appeal to "conservative business men" to support the policies of the board, Legge last night made this assertion and added the prediction that eventually the cooperatives will be able to market these purchases satisfactorily.

"The country as a whole was thrown into depression through the collapse of speculation on the New York stock exchange," he said. "The farmer also was a victim of this collapse. The board is endeavoring through finance of the farmers'

own organizations, to help restore stability and expedite recovery from a crisis which the farmer did not create and for which he is not responsible."

**Lisbon Kiwanians Give Annual Show**  
Lisbon, Feb. 26.—The first performance of the 1930 minstrel show was given in the auditorium of the David Anderson high school Tuesday night.

Despite the severe electrical storm the auditorium was sold out. County Supt. of Schools H. C. Leonard was interactor, succeeding Probate Judge Lodge Riddle who has served in this role in former years.

The event will be continued Wednesday evening.

And what they dare to dream of dare to do.—Lowell.

# THREE IMPORTANT FACTORS ENTER INTO THE COST OF YOUR AUTOMOBILE

1. How much it costs to make the car
2. How much extra you pay the dealer
3. How much it costs for operation and up-keep

**THE PURCHASE** of an automobile involves a considerable amount of money and it should be carefully considered from all angles before a final decision is made.

The value of the car to you depends on the value built into it at the factory, how much extra you pay the dealer for distribution, selling, financing and accessories and what it will cost to operate and maintain the car after purchase. Each of these factors, as it relates to the Ford car, is frankly explained below.

**Economy in production**

THE FORD CAR is made economically because of the efficiency of Ford production methods. The money saved through this efficiency is put back into the car in improved quality of material and in greater care and accuracy in manufacturing. The constant effort is to eliminate waste and find ways to make each part better and better without increasing cost—frequently at lowered cost.

Because of Ford economies in large production and because the Ford organization operates on a low-profit margin, the price you pay for the car is much less than it would be under any other conditions. Yet it brings you many unusual features of construction and performance.

At least \$75 extra value is represented alone by the Triplex shatter-proof glass windshield, the Rustless Steel, the four Houdaille double-acting hydraulic shock absorbers, and the five steel-spoke wheels. The unusually large number of ball and roller bearings and the extensive use of fine steel forgings instead of castings or stampings are additional features that reflect the high quality built into every part of the car. Throughout, it is a value far above the price you pay.

**Low dealer charges**

THE SAME PRINCIPLES of efficiency and economy that characterize the manufacture of the Ford car are applied also to distribution. Obviously it would do the public little good to save in production if these savings were sacrificed later in excessive costs of selling, financing and accessories.

The Ford dealer, therefore, operates on the same low-profit margin as the Ford Motor Company, his discount or commission being the lowest of any automobile dealer. He does a good business because he makes a small profit on many sales instead of a large profit on fewer sales.

**Low up-keep costs**

IT IS IMPORTANT to remember that the cost of your automobile is not the first cost only, but the total cost after months and years of service. Here again there is a decided saving when you buy a Ford.

The cost of operation and up-keep is lower because of simplicity of design, the high quality of material, and the reduction of friction and wear through unusual accuracy in manufacturing and assembling. The reliability and longer life of the car contribute to its low depreciation per year of use.

The intelligent, painstaking service rendered by Ford dealers is under close factory supervision and is a factor in the low up-keep cost of the Ford. All labor is billed at a flat rate and replacement parts are always available at low prices through Ford dealers in every section of the United States.

In two, three or five years, depending on how much you drive, the saving in operating and maintaining a new Ford will amount to even more than the saving in the first cost of the car.

## Social Affairs

### TRAVELERS CLUB

Dr. G. E. Byers gave an interesting talk at a meeting of the Travelers club Tuesday afternoon at Memorial building.

Dr. Byers told of a year's medical research expedition in Brazil, S. A. He showed movies and slides of pictures taken when on the expedition.

Mrs. Edwin Niebling sang two vocal solos accompanied by Mrs. Paul Covert.

The club accepted an invitation from the Book club to be its guest on Monday afternoon, March 3, at Memorial building.

The committee which was in charge of this special program was composed of Mrs. John Russell, Mrs. R. E. Croucher, Miss Grace P. Orr, Mrs. Gibson, Mrs. James Boyie, Mrs. Marjorie Ernst, Mrs. Solbert Greenberger, Miss Doris Chandler, Mrs. Edward Dawson, Miss Myra E. W. F. T. Miles, Mrs. G. R. Deining.

### WOMAN'S RELIEF CORPS

A Washington's birthday program entertained after a meeting of the Woman's Relief Corps Tuesday evening at the hall, East State st.

A talk on Washington was given by Mrs. James McConner, president of the corps. Other numbers were: Piano solo, Mrs. David Horner; paper on Washington, Mrs. Chalmers Zimmerman; vocal duet, Mrs. Frank Behner and Mrs. Cora King; papers relating to Washington, Mrs. F. A. Rinehart, Mrs. Phoebe Davidson, Mrs. Fannie Little. A social time with stunts was enjoyed.

### ST. PAUL'S CLUB

The St. Paul's club held its first general meeting Tuesday night and elected Andrew Benedict, president. Assistant officers are: Secretary, Matilda Murray; treasurer, Raymond Himmelsbach.

The purpose of this club is to discuss various debatable matters of history and to further knowledge of the Catholic religion among the members.

The next meeting will be held Tuesday for the girls. Meetings for girls will be held every other Tuesday, while the boys' meetings will be every other Thursday.

### JESSIE THOMAS CIRCLE

Misses Betty Coles and Blanche Anglemeyer were associate hostesses to members of the Jessie Thomas circle of the English Lutheran church Tuesday evening at the home of Miss Coles, on East Third st.

Miss Alice Berger was leader of the devotion. The topic was "The Road to the City of God." All the members had part in the program. Lunch was served at the social period.

### HONORS MRS. BARNARD

Mrs. Arthur Barnard, who will leave in a few days for Pittsburgh to make her home, was an honor guest at a covered dish supper Tuesday night at the First Presbyterian church given by the Trinitarian class and Anne B. Gilbert auxiliary. The honoree was presented a gift. The meal was in connection with the relay mission study class session.

### DOUBLE FOUR CLUB

Mrs. Arthur Pifer and Mrs. S. E. Greenawald won honors at five hundred at a gathering of Double Four club members Tuesday afternoon at the home of Mrs. Ernest Hoobler, Ohio ave.

Mrs. R. P. Hannay has invited the members to meet with her next Tuesday afternoon at her home, Ohio ave.

### CARA NOME CLUB

Miss Ann McLaughlin extended hospitality to her associates of the Cara Nome club Tuesday evening at her home, West Second st. Three tables were engaged at five hundred. Mrs. Herbert C. Fisher, Miss Helen Kaley and Mrs. Frank Schmidt won distinction in the games. Lunch was served and spring flowers used in the decorations.

### LUTHER LEAGUE CARNIVAL

The Luther league of Emmanuel Lutheran church will hold a carnival Friday evening at the church. A play, vocal and instrumental music will provide entertainment. Committees in charge of the affair will meet Thursday evening to complete plans.

### AT BROOMALL HOME

Mrs. S. J. Broomall and Mrs. A. C. Prethy entertained a division of the Book club Tuesday evening at the Broomall home, South Lincoln ave. The hours were enjoyed with "stunts" and contests. The hostesses served lunch.

Mrs. David Martingell left Tuesday morning for Pontiac, Ill. to spend some time with relatives. Mr. Martingell went to New York City last night.

Mr. and Mrs. Burke and son, have returned to their home in West Virginia, after spending a week with friends here.

## Sure Way to Stop Night Coughs

Famous Prescription Brings Almost Instant Relief

Night coughs, or coughs caused by a cold or irritated throat, can now be stopped within 15 minutes by a doctor's prescription which works on an entirely different principle. This prescription is put in under the name Thoxine and is available to everyone.

Having Thoxine on hand is a safety measure against all coughs and throat irritations.

Thoxine contains no harmful drugs, is pleasant tasting and safe for the whole family. Sold on a money back guarantee to give better and quicker relief for coughs or sore throats than anything you have ever tried. Ask for Thoxine, put up ready for use in 35c, 60c, and \$1.00 bottles. Sold by Lease Drug Co. stores and all other good drug stores.

## VISITING JUDGE TO HOLD COURT

### Many Cases Up For Trial In Lisbon During Next Week

LISBON, Feb. 26.—Judge Winfield S. Slocum of Painesville, Lake county, will preside in common pleas court No. 2 next week, assisting Judge W. P. Lones who will occupy No. 1 court room.

A total of 45 cases have been assigned for both courts for the week of March 3. Judge Lones will hear motions for new trials next Monday morning, and jury cases will be called at 1 o'clock in the afternoon.

In No. 2 court, Judge Slocum will hear argument on five motions and demurrers in the morning and will open at 1 o'clock with a jury. In addition to two courts being in session next Monday, a special session of the grand jury will also convene, probably in the law library on the third floor of the court house.

The grand jury is expected to be in session but one day, although it may follow that it will extend into the second day.

The assignment for both courts for next week follows:

**W. F. Lones, Judge**

## C. S. CARR HARDWARE

## FLASHES OF LIFE

(By The Associated Press)  
NEW YORK.—Rogers, who spent most of their spare time at bridge, in the opinion of Dr. Alfred Adler, are suffering from an inferiority complex. Lecturing at Columbia university the Viennese psychologist said: "Bridge is a great invention. A little of it is relaxation. But a lot of it becomes a mental habit, an attempt to satisfy a striving for superiority. It offers an opportunity to conquer others. If you see a bridge player who has won you will notice a nice expression of superiority on his face."

### DAMASCUS

Mr. and Mrs. Ralph Steer are the parents of a son born Saturday. Mrs. C. W. Crew of Westville is caring for them.

Mr. and Mrs. E. E. Walker left Sunday morning for Jacksonville, Fla. where they will visit their son, Fred M. Walker and family. They will visit New Orleans and other southern points enroute.

### Guests In Pittsburgh

Dr. and Mrs. A. R. Cobbs were recent guests of their daughter, Mrs. Stuart Heas and family, of Pittsburgh.

The Woman's Foreign Missionary society of the Methodist church will meet with Mrs. L. W. Atkinson Friday afternoon for self denial meeting this being self-denial week.

Mr. and Mrs. Fred Rothel of Berea spent the week end with their son Rev. C. F. Rothel and family.

Rev. C. F. Rothel left Monday afternoon for Amsterdam where he will assist Rev. Robert Pels in revival meetings in the M. E. church there.

Mr. and Mrs. Burrell Steut, of Russellville, Ind., visited Mr. and Mrs. J. G. Gilbert who had been visiting her parents and attending her grandmother's birthday party in Russellville, returned here with them.

Mrs. Elmira Crum left Thursday to visit her daughter and husband. Mr. and Mrs. Ted Wirsching of Mount Clair, N. J.

**Visiting With Sen**  
Mrs. L. L. Ingram, who with Mr. Ingram are staying with their son, Frank Ingram and family, of Warren, spent a short time in Damascus Sunday calling on neighbors and reports Mr. Ingram's condition about the same.

Mr. and Mrs. William Miller spent the week end with their parents. Mr. and Mrs. Fred Israel, Mr. Miller, who is employed in the Goodrich Rubber company, has been transferred from New York City to Los Angeles, Calif., to which place they are enroute.

Mr. and Mrs. C. D. Carr, of Salem, visited Mr. and Mrs. William Courtney Sunday.

Mrs. Emma Windle is visiting her daughter, Mrs. A. L. Atkinson and family, of Alliance.

Mr. and Mrs. J. G. Gilbert visited Mrs. Russell Maris at the Warren City hospital Sunday.

Mr. and Mrs. Spahn, of Lakewood, called on their daughter, Miss Adrienne Spahn, Sunday evening.

Mrs. Leonard Dillon returned home Monday from a two weeks' visit with her parents at Richmond, Ind.

Little Janet Israel has the chicken pox.

## Have You An Acid Stomach

When gas, pain and distress follow a good meal, it is an almost sure sign of "too much acid" in your stomach. Get rid of it now for it is dangerous. Ulcers are apt to follow. No matter how much acid is in your stomach, you can enjoy and relish your next meal without fear of after effects. If you have some Bismarck Magnesia handy to prevent the trouble before it starts. Try it. Eat what you like, in reason, and then take a little Bismarck Magnesia to neutralize acid, sweeten your stomach and protect the stomach lining. Doctors recommend Bismarck Magnesia—thousands use it because it positively prevents stomach trouble or stops the worst attack in less than five minutes. Get a trial package, either powder or tablet, from your druggist, use as directed, and indigestion and stomach troubles will go like magic.

## Way to Get At a Cold Is Through the Bowels

As soon as you catch cold, the pores close; perspiration is checked. Gases and waste can't escape through the skin. That's why your doctor's first advice in case of colds is a mild laxative like Cascara. Medical authorities agree it actually strengthens bowel muscles. You get cascara in its most pleasant form in candy Cascarets.

Remember this when you catch cold; whenever breath is bad, tongue coated; or you're headachy, bilious, constipated.

Why resort to harsher things when Cascarets activate the bowels so quickly, so harmlessly and pleasantly—and cost only a dime? Adv

NEW YORK—Ruth Taylor, who had the leading role in the film "Gentlemen Prefer Blondes," is the choice of a tall dark handsome stock broker. She is engaged to Paul S. Zukerman.

LONDON—Jamie Brown is soon to exchange his cottage in a mining village for a palace the second time. He has become lord high commissioner for Scotland as he was under the preceding labor government. He and Mrs. Brown will occupy the royal palace of Holyrood at Edinburgh and he will be addressed as "your grace."

NEW YORK—Harold Hoskins, who goes to grammar school, is a champion apple pie maker. He won a contest in which more than 50 women took part.

OTTAWA—High-flying Eskimos are described in the annual report of the Royal Canadian Mounted Police. Punch Dickens, aviator, gave them a ride at Akilavik for \$10 each and customers were still in sight when his gas gave out.

PHILADELPHIA—Girls to be beautiful must be fat. This proves that Dr. William Desvitt of Allentown, Pa., was correct. He told the Philadelphia Medical society that someday someone was going to say that.

## Looks Young, Feels Fine

"Eight years ago before my last baby was born, I started taking Lydia E. Pinkham's Vegetable Compound. I got such good results that I named her Catherine Lydia. I have six older children and five grandchildren, too. I am 44, but people tell me I look much younger. I am now taking the Vegetable Compound again because of my age. I eat and sleep better and I do all my housework, and my washing. I will do my best to answer letters."—Mrs. H. Dolhonde, 6318 York St., New Orleans, Louisiana.

## Veteran Killed

COLUMBUS, O., Feb. 26.—Joseph O. Oregg, 80, who was decorated for bravery during the Civil War, is dead today. He was struck and killed by an automobile.

## DEATHS

**MRS. MARGARET ANGLEMYER**  
 A complication of diseases caused the death of Mrs. Margaret Anglemeyer, 83, on Tuesday at the home east of Leetonia.  
 Mrs. Anglemeyer was born March 2, 1845 at Salineville. She was the widow of Luke Anglemeyer, who died two years ago.  
 Surviving are three daughters, Mrs. Lillian Farmer of Lisbon, Mrs. Grace Crook of Leetonia and Mrs. Laura Crook at home; one son, Thomas Anglemeyer of Leetonia; two sisters, Mrs. Elizabeth Coburn of San Diego, Cal., and Mrs. Kate Whitacre of Leetonia; two brothers, Henry Rice of Smith's Ferry, Pa., and Wesley Rice of Detroit; 16 grandchildren and five great grand children.

Funeral service will be held at 2 p. m. Friday at the Methodist church in Leetonia with Rev. C. C. Cope in charge. Burial will be in Oakdale cemetery.

**MRS. M. J. MILLER**  
 Mrs. Malinda J. Miller, 48, died of complications at the home of her son, Edward Dixon, 504 W. Fifth St., at 8:40 a. m. Wednesday. She had been ill a short time.  
 She is survived by one son, Edward Dixon, with whom she made her home; two daughters, Mrs. Florence Gibson, of East Canton, and Mrs. Clara Dixon, of Memphis, Tenn.

Surviving also are eight sisters, Mrs. Louis Raymond, Mrs. Charles Meyers, Mrs. Ralph Martin, Mrs. Ernest Schmidt, Mrs. Dora Wang, Mrs. F. J. Harding, Mrs. Martin McGregor, all of Salem, and Mrs. William Griffin, of Canton.  
 Friends may call any time after Wednesday at the home on West Fifth St. Funeral arrangements have not been completed.

**ISAAC HALVERSTADT**  
 Isaac Halverstadt, 79, died Tuesday morning at the home of his son, Earl Halverstadt, four miles south of Leetonia. Death was caused by heart trouble.

Mr. Halverstadt, son of Mr. and Mrs. Jacob Halverstadt, was born March 21, 1859, on a farm in the Mount Vernon district where he had spent most of his life. He was the last of a family of 12 and his wife Lydia Rhodes, preceded him in death 18 years ago.

Surviving are two sons, Earl, at whose home he died and Charles, of Earlsmar, Cal., and four grandchildren.  
 Funeral service will be held at 2 p. m. Thursday at the home in charge of Rev. H. C. Brillhart. Burial will be in Oakdale cemetery.

## Killed By Train

CINCINNATI, O., Feb. 26.—Mrs. Minnie White, 42, is dead of injuries suffered when she was struck by a train, while walking in the Island Creek Coal company yards.

## "COCK EYED WORLD"

At The Grand

A couple of leatherneck Don Juans! That's a trite way to characterize Edmund Lowe and Victor McLaglen as "Sergeant Quirt" and "Top Sergeant Plugg" in the Fox Movietone all-talking production, "The Cock Eyed World."

Based on a story written by Laurence Stallings and Maxwell Anderson, who co-authored the unforgettable "What Price Glory," Lowe and McLaglen are still in the marines, though it is peace time, but plenty of fighting in the tropics—and between themselves.

Pals, buddies, brothers, everything is great until one falls for a "femme." Then each claims priority and the innocent cause of the trouble must stand by while they tell each other plenty.

Of their many love affairs, three stick out prominently: one in the tropics with the gorgeous Lily Damita, another in cold Russia with fascinating Lella Karnely, and the third at Coney Island with a real flip American girl, Jean Barry.

Around these scorching love affairs are incidents of a most human nature, with pathos, tears, smiles, romance and thrills.

## "SONG OF LOVE"

At The State

Little David Durand, the sensational boy actor who played with Maurice Chevalier in "Innocents of Paris," plays a featured part in "Song of Love."

David is a Hollywood favorite. He has none of the objectionable traits of the average professional child. David is very intelligent and has a great deal of poise. Until lately, he had two hobbies—golf and reading. Since his recent trip in a sea-plane, David has become an aviation enthusiast and has decided to become an air-mail pilot when he grows up.

His role in "Song of Love" gives him the best opportunity of his career. His is a dramatic characterization—one that demands a wide range of emotions. In addition, David sings twice during the picture in a very pleasing voice.

## ABOUT TOWN

To Play Sunday

The Alliance symphony orchestra will give a free concert at 3 p. m. Sunday at the High school in Alliance.

John L. Hundertmark, son of Mr. and Mrs. J. W. Hundertmark, of Salem, plays the violin in this orchestra.

## Moose Women

Myra Batt of Cleveland, deputy grand regent, was a guest of Salem chapter No. 68. Women of the Mooseheart legion, Tuesday evening at the hall, East State st. After the meeting the members went to Cape's confectionery for refreshments.

Legion Auxiliary

At a meeting of the American Legion auxiliary Tuesday evening at the home, East State st. it was planned to meet next Tuesday evening at the home of Mrs. H. P. Litty, Fair ave., to make poppies.

The regular meeting will be held in two weeks at the Legion home.

## Amity Lodge Meeting

Amity Lodge No. 124, I. O. O. F. will hold its weekly meeting at the hall Thursday night. Initiation of candidates will be a feature. All members being urged to attend.

## L. T. L. Meeting

Members of the Loyal Temperance Legion will meet at 4 p. m. Thursday at the Educational building of the Christian church on East Second st.

## An Error

The item in the A. & P. ad yesterday that read Loth 2 lbs. for 15c, should have read Liver 2 lbs. for 15c.

## Kiwanis Meeting

Mrs. R. E. Smucker will discuss "Impressions of Europe" in a speech at the Kiwanis club at the Memorial building Thursday noon.

**CHRYSLER**  
Chrysler's PROVED performance gauges all performance

Get into a new Multi-Range Chrysler — try for yourself this time-proved performance that is today's yardstick for gauging all other performance.

Feel how much more smoothness there is in Chrysler speed—how much more quickly and easily Chrysler glides up the steepest hills.

Feel the snap in pick-up which the Acceleration Range of Chrysler's new four-speed transmission gives you, combining the best features of ordinary "second" and "high"—and as you shift into the Speed Range

notice how faster car speeds are achieved at slower engine speeds, producing a coasting sensation.

Feel the added power Chrysler has developed by larger and more powerful engines combined with the new fuel-feed principles of Down-Draft carburetion, adopted from the latest practice in aviation.

Chrysler superiority is definite—proved on the road—open to any test and closed to all argument. And nothing can alter the fact that it inspires a pride all its own.

CHRYSLER INSPIRES A PRIDE ALL ITS OWN

# Sharkey Looks Part Of A Champion On Eve Of Miami Battle

## Boston Gob Ruling Heavy Favorite In Betting On Contest

Splash of International Color Present When Big Boys Get Together in Annual Battle Of Palms Tomorrow Night

(By The Associated Press)  
MIAMI, Fla., Feb. 26.—With not a great deal more to be said about the proceedings, ten assorted big fellows of the ring, will be tossed into the arena tomorrow evening in the second annual battle of the palms.

Most of those who motor out to the wooden arena on the outskirts of town expect to see the American, Jack Sharkey, flatten the British heavyweight hope, pale and gangling Phil Scott, in a main event that is billed for 15 rounds and not expected to go beyond three or four. If the show is a financial and artistic success, it probably will be in spite of the main event, which has developed insufficient interest or rivalry to promote much ballyhoo.

On the other hand, an extraordinary attractive card of five international bouts has drawn a big influx of the faithful. The semi-final bout between the 230 pound Argentine, Victorio Campolo, and rubbery John Risko, of Cleveland, has aroused keen speculation, with the South American ruling a slight favorite. Other entertainment is expected from the bouts pitting Tommy Loughran, former light heavy-

weight champion, against the hard hitting Belgian, Pierre Charles, and Jimmy Maloney, the Boston veteran, against Mouze Bouquillon, of France.

**Contenders On Card**  
There are at least a half-dozen present and former contenders for high heavyweight honors on the card, though the principal significance is attached to the main bout. The Sharkey-Scott match is one of the last of the long drawn out series of heavyweight eliminations, the winner of which is slated to box Max Schmelling of Germany for the world's championship at New York, in June.

The prospects today were that a crowd of between 25,000 and 35,000 will pay upwards of \$200,000 to witness the show. Frank J. Bruen, general manager of Madison Square Garden, and his box office experts were optimistic that the gate would pass \$300,000. This would insure a substantial profit. There was no chance whatever of a sell-out, which would mean an attendance of 52,000.

Speculation over the outcome of the main bout was centered principally upon how long it will take Sharkey to win, the odds on the American, following the completion of the long training grinds, seemed inclined to rise, instead of shorten. A 3 to 1 favorite right along, Sharkey appeared likely to enter the ring at 5 to 1, with no takers.

**Sharkey Looks Good**  
Bigger, stronger, faster and punching apparently harder than ever, Sharkey has looked every part of a champion in training. Scott, tall and of apprehensive mien, has alternately impressed the critics with his boxing or discouraged by his awkwardness.

Scott is a slow starter and may be an early mark for Sharkey's rushes, if the American is in the mood for one of his savage attacks. There are precedents for such an upset as Scott would spring by beating Sharkey but mighty few of them. Corbett and Tunney were very much on the short end when they won the world's championship but these two instances were 34 years apart.

COLUMBUS, O., Feb. 26.—Members of the Buckeye Intercollegiate Athletic conference, including Ohio Wesleyan, Ohio University, Miami, Denison and University of Cincinnati, meet here tonight to draw up basketball schedules for 1939 and to discuss possible additions to the conference.

ALLIANCE, O., Feb. 26.—In a hard-fought, fast game, Mount Union college downed the classy Heidelberg quintet here last night by a 41-to-37 score, in an Ohio conference contest.

## Basketball Results

(By The Associated Press)  
Michigan, 30; Chicago, 20.  
Oberlin, 26; Ohio Northern, 20.  
Mt. Union, 41; Heidelberg, 37.  
Ohio University, 37; Marietta, 21.  
Wilmington, 39; Cedarville, 9.  
St. Louis University, 31; Iowa, 24.

## Fans Do Not Like Referee Verdict

LOS ANGELES, Feb. 26.—Boos, catcalls, and a shower of cushions and pop bottles tossed toward the ring greeted the referee's announcement awarding Eddie Mack, Denver junior lightweight, a 10-round decision over Maurice Holtzer, of France here last night. Police restored order and ushered the displeased crowd from the auditorium. Holtzer, the favorite of the fans throughout the bout, was cheered as he left the ring while hoots followed Mack to his dressing room. The Denver boxer, noted for a heavy "one-two" punch never had a chance to use it and was beaten in the fighting although he out-boxed the Frenchman at long range.

## Fight Results

(By The Associated Press)  
Hartford, Conn.—Bat Battalino, world featherweight champion, outpointed Ignacio Fernandez, Chile, 10, (non-title).  
Indianapolis—Jackie Purvis, Toronto, outpointed George Kervin, Chicago, 10.  
St. Petersburg, Fla.—Farmer Joe Cooper, Terre Haute, Ind., outpointed Relampago Saguro, Cuba, 10; Harry Muche, Ohio, and Mario Paulo, Cuba, drew 8.  
Los Angeles—Eddie Mack, Denver, outpointed Maurice Holtzer, France, 10.

St. Louis—Johnny (Pee Wee) Kaiser, St. Louis, outpointed Lou Terry, St. Louis, 10.  
Kansas City—Speder Kelly, Kansas City, outpointed Jack Gibbs, Kansas City, 10.  
Denver—Ham Jenkins, Denver, knocked out Louie Mays, Des Moines, Ia., 3.

## Pilot Killed at Logan Field, Three Injured

Captain Lyman Patterson, of the Maryland National Guard, who died at Baltimore from injuries sustained when the plane he was flying went into a nose dive at Logan Field. Three passengers in the plane were severely injured. The United States Government has ordered an investigation.

## THE DAY In Sports

"WONT BE LONG NOW"  
SALEM AND BASEBALL

The resounding crack of bat against a curve that failed to break will soon be reverberating through athletic stadia from coast to coast and be attracting attention of millions of fans of all ages, creeds, colors and both sexes. The national game, for it will always be called that, is already taking its spring bow in southern training camps and basketball, billiards, bowling and other indoor sports are being tucked away for the winter in the minds of fandom.

Addicts are already gathering and voicing conjectures on the number of round trip excursions the great Bambino will be taking around the sacks this year; the number of bases Ki-Ki Cuyler and Chuck Gehringer will pilfer, what Burleigh Grimes' pitching record will be and many other oft-discussed matters.

The major league season opens its schedule on April 15 and from now until that time the improvement shown by various rookies and colorful old-timers will be occupying the lion's share of interest in stove leagues. Cleveland, the favorite team of most Salem fans, plays its first game at Chicago, playing a three-day engagement and is at home for the first time when Chicago returns on April 22, 23 and 24.

In the type of weather that's been prevailing throughout this vicinity for the past ten days, no one would object to witnessing a good mid-season exhibition of baseball right now. But again it appears that Salem will not get much baseball unless fans travel to nearby cities or to Cleveland for their share of the national sport. A city hardball league is in the offing and may materialize while a mushball circuit is a certainty here.

Meetings will be held at the Memorial building within the next month concerning both matters. Interest in both should be agitated immediately to insure an early start. Basketball has less than a month to go; track comes next but it's stay is short and baseball should be going in full swing here by the first of May.

## Tunney Will Attend Battle Under Palms

Retired Heavy Champ In Florida Recuperating From Operation

MIAMI BEACH, Fla., Feb. 26.—Gene Tunney, retired heavyweight champion who is slowly recuperating from an operation for gall stones performed in a New York hospital six weeks ago, is today the guest of a beach front hotel where he is in semi-seclusion. With him is Mrs. Tunney, the former Polly Lauder, and his sister-in-law, Mrs. Edwin S. Dewing, of Hartford, Conn.

Tunney was visited by an International News Service correspondent immediately after he had checked in at the hotel. He was surprised that his presence was known and he did not care to be interviewed. He seemed to be in fair physical condition although he said he was "not at all strong." He still is using a cane. His face was ruddy from exposure to the Florida sunshine. He had been spending the last three weeks at Upland Isle on the Florida west coast. He motored here. "I am building up my strength as fast as I can but I tire rather quickly," said Tunney. "I am trying to get as much rest as possible."

**Will Attend Battle**  
Asked if he intended to attend the Sharkey-Scott bout Thursday night he said he would. He declined to make a prediction as to who would be the winner. It will be the first professional fight he has attended since he retired from the peak business.

Tunney returns to Miami Beach after an absence of two years. It was here that he trained for several of his important fights, including his bouts with Tom Gibbons and Tom Heeney. He did some of his preliminary training for Dempsey at Miami Beach.

At the bout Thursday night he will be the guest of William F. Carey, president of Madison Square Garden. Carey, however, will not see the fight as he has been forced to return to New York where he plans to take a boat in a day or two for South America to attend to railroad business. Tunney probably will be seated with the party of Bernard F. Gimbel, a director of the garden and one of his closest friends.

Tunney's stay in Miami Beach is indefinite.

## Donie Bush Signs New First Sacker

(By The Associated Press)  
SAN ANTONIO, TEX., Feb. 26.—Even if Charles Arthur (The Great) Shires does not sign up for the \$11,000 per season offered by Charles A. Comiskey and the Chicago White Sox, manager Donie Bush does not intend to be caught short without reserve first basing material.

Moore Berg, who has been a member of the Sox catching staff, as well as filling in as an infielder on occasions, has been worked at the initial corner, and may share the duties with John (Bud) Clancy. Johnny Riddle, young catcher obtained from Indianapolis of the American Association, appeared and made an impressive showing.

## Room 8-E Cagers Defeat 7-E Team

Players from 8-E defeated Room 7-E tilters by a 7-6 score in a close game at the Memorial building gym Tuesday afternoon. Summary of the game follows:

## Few Changes Loom In Gridiron Rules

PALO ALTO, CAL., Feb. 26.—Glenn S. Warner, Stanford university football coach, expressed the opinion today that the football rules will not be subject to any major changes when the rules committee of the National Collegiate Athletic association meets in Abasco, N. J., March 21-25. Warner, who will attend the meeting, is not a member of the rules committee but is on the advisory committee. He said efforts would be made to modify and simplify the rules.

## Athletics Enter Spring Training

(By The Associated Press)  
PORT MYERS, Fla., Feb. 26.—Connie Mack, major domo of the Philadelphia Athletics, ordered a fair sized squad of athletes to the ball yard today for the first spring practice. Counting regulars and rookies, about 20 players are in camp, with another delegation that has been conditioning at Hot Springs expected by the end of the week. Some of the regulars, eager to get going, have been in the south more than a week, and a half dozen others, including Lefty Grove, arrived yesterday.

The squad to date is made up of pitchers—Grove, Earnshaw, Ehmke, Shores, Rommel, Mahaffey, Jones, Dietrich, Baker, Snider, Mahon, Liebhardt and Suppice; catchers—Cochrane, Perkins and Mattox; infielders—Fox, Keese, Homer, Summa is the only tested outfielder on hand, the champion's regular trio of Simmons, Haas and Miller a part of the contingent still at Hot Springs with infielders Bishop, Boley and Dykes.

## Ens Warns Players Of Rule Violations

PACO ROBLES, CAL.—Violation of the club rules will not be tolerated and it is going to be tough for second offenders, Manager Jewel Ens has advised his Pittsburgh Pirates in training here. The squad had a busy day here yesterday, playing hardball, fielding grounders and indulging in calisthenics. They faced the same program today. The pitchers were allowed to work a bit harder, but were warned against "fancy" hurling.

## SPORTS IN BRIEF

(By The Associated Press)  
CINCINNATI, O., Feb. 26.—The Ohio amateur boxing tournament opens here tonight with more than 51 scrappers from over the state seeking championships. About 20 bouts will be held tonight and the tournament will end Friday night. Cleveland, Cincinnati and Toledo will send the largest contingents.

CHICAGO, Feb. 26.—Player John F. Kane of the Little Rock club of the Southern Association, has been suspended for 90 days by Kenesaw Mountain Landis, commissioner of baseball, for an assault on an umpire last season while playing in the Cotton States league. The suspension will be reduced by 10 days, the time imposed by the Cotton States league.

CHICAGO, Feb. 26.—Purdue's undefeated Big Ten basketball record tonight will be the target on Northwestern's erratic sharpshooters at LaPorte.

NEW YORK, Feb. 26.—Cleveland's defeat of Ft. Wayne last night only

boosted the Rosenblums into second place in the second half race of the American pro basketball league but enabled Rochester to maintain the top rung.

To protect automobiles against burned out bearings a device has been invented that stops them when the lubricating oil is exhausted.

## More Chicks Will Be Chickens when fed

## Ryde's "Startrite" Chick Food

**With Buttermilk** Poultry raisers know that proper care and feed will bring to maturity every normal chick. To do this, a safe, easily digested starting food is an absolute necessity. Avoid double loss of egg hatching expense and loss of future profit by feeding Ryde's "Startrite" Chick Food.

Demand Ryde's because it is a safe, natural, easily digested complete food. Don't strain tender sensitive digestive organs of baby chicks by using heavy fibrous feeds which cause disease. Use "Startrite" and you start them right. A pound will raise a baby chick well past the danger period.

**Your Money Back if Not Satisfactory**

**FREE GAME** The interesting, instructive Ryde Chick Game which includes play board, spinner and model chicks, will be sent free (worth 75c) upon receipt of name and address. Include like to pay postage and packing. Address Ryde & Co., Mfrs., 3414 West Roosevelt Road, Chicago, Ill.

For Sale by SALONA SUPPLY CO.

## Today's Pattern

1847

YOU will look your best when wearing a print this season. The model presented today expresses the mode at its latest and best—the surprise bodice closing, the snug hip band and the front pleated skirt. The lingerie touch of pleated ruffling, purchased by the yard or easily gathered at home, gives just that dainty feminine finish so charming.

Pattern 1847 may be made of printed cotton or silk—pique, lawn, dimity or silk crepe. Lace might be used around the collar and cuffs if you desire. Colored pearl buttons finish the bodice closing.

May be obtained only in sizes 16, 18, 20, 34, 36, 38, 40 and 42. Size 16 requires 3 1/2 yards of 36 inch material.

No dressmaking experience is necessary to make this model. The pattern has ample and exact instructions. Yardage is given for every size. A perfect fit is guaranteed.

## COUPON

This pattern will be delivered upon receipt of 15c, cut of stamps, carefully wrapped. Latest Fashion Book 10c. Send all orders to SALEM NEWS PATTERN DEPARTMENT, 243 WEST 17TH STREET, NEW YORK CITY.

## DAMASCUS

The church services were well attended Sunday. Rev. H. C. Phillips, pastor of the Friend's church, used for his subject in the morning, "The Abundant Life" and in the evening, "Spiritual Darkness." A special song was sung in the morning by Mr. and Mrs. B. J. French and daughter and in the evening Mrs. Margaret Chambers and Miss Anna Talbot sang a duet. Miss Mary Freeman was leader of the Christian Endeavor meeting the subject being "The Value of the Bible in Foreign Lands." An interesting feature was an improvised broadcasting station over which was broadcast by several people, representing different countries, the value of the Bible there. Allen Stanley was announcer.

The services at the Methodist church were held in the evening. Rev. C. F. Rothel, pastor, using for his subject, "The Sameness of Jesus Christ" taken from Hebrews 13:8.

A general discussion was held at the Young People's meeting. Mr. and Mrs. D. M. Stanley of Alliance, Mr. and Mrs. Frank Stanley and family of Goshen, Mr. and Mrs. Homer Stanley and son of Garfield met at the home of Rev. and Mrs. H. C. Phillips Friday evening and remained there until Sunday. Special services were Mr. and Mrs. George Bailey, both past 80 years old, Donald Hall of Canton and Miss Helen Phillips of Cleveland. A chicken supper was served, a special feature being a birthday cake with 86 candles. George Washington day decorations were used. A social time was enjoyed.

The Helping Hand Sunday school class of the Friend's church taught by Mrs. Philena Santee was entertained at the home of Mrs. Esther Shreve Saturday afternoon with 11 members and one guest. Mrs. Charles Shreve, present. Roll call was answered by a text of Scripture containing the word "Conversation." The afternoon was spent in giving incidents in the life of George Washington and a social time. Light refreshments were served.

Mrs. A. R. Cobbs entertained the Damascus Ladies Fancypwork club to a 1 o'clock luncheon Friday with nine members present. The afternoon was spent with fancypwork and a social time. Mrs. J. H. Cameron will be hostess in March.

ippine march. A typical Philippine setting transformed the stage appropriately for these musicians.

## QUICK RELIEF FROM CONSTIPATION

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 20 years, and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Olive Tablets do not contain calomel, just a healing, soothing vegetable laxative, safe and pleasant. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They help cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you should find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets.

Thousands take them every night to keep right. Try them. 15c, 50c, 60c.

## LEGAL NOTICE

Charles H. Dunlap, residing in Blaineville, Indiana County, Pennsylvania, and Elizabeth Dunlap, residing in Blaineville, Indiana County, Pennsylvania, will take notice that on the 25th day of August, A. D. 1929, George W. Allen filed his petition in the Common Pleas Court of Columbiana County, Ohio, in case No. 2854, against the above named parties and others, praying for an order declaring null and void the transfer of a certain tract of real estate in Salem, Ohio, described in the petition filed in said cause, and known as a part of Lot No. 962 Appraiser's Addition to Salem, Ohio, for the reason that same was transferred to said defendants by defendants, Leslie C. Dunlap and Olive A. Dunlap, with the fraudulent intention to defraud their creditors, and that said property be administered for the benefit of the creditors of said Leslie C. Dunlap and Olive A. Dunlap, and for such further and additional relief as plaintiff may be found entitled to, and justice and equity require.

Said parties are required to answer on or before the 22nd day of March, 1939.

### HANNAY MOVES GOODS SAFELY

Salem Man In Business  
Here For 5 Years;  
Modern Trucks

When a man has anything to move, it is a relief to know that he can secure for that service a man who has made a specialty of it for fifteen years, and in that time has always had one standard—that of careful, efficient service. When to these qualifications is added the best equipment, it would seem that the man with a job of hauling on his hands could do no better than to telephone 1076 and ask M. W. Hannay to take care of it.

For Hannay has a reputation for taking care of things left to him. He has built up an organization of responsible employees who have had that idea carefully drilled into them and who are remarkable alike for efficient service and faithful attention to the interests of the patron.

That his work may be kept up to the present high standard of efficiency and the satisfaction of a large patronage, Hannay makes it a point to supervise every transaction himself, and then goes to the further extent of insuring every load.

He has large and small equipment for the moving of household goods and things of that character, and trucks for the heavier hauling, so that he can give complete hauling service. His business is transacted from Pennsylvania freight office, or 538 Columbia St. but, the place to find him is usually right on the job, regardless of hours, weather or any other consideration.

Perhaps it is safer to have old men in the supreme court, but look at the senate.

## Attitude Of Owner Becomes Critical In Home Planning

Every year sees a more critical attitude adopted on the part of those who buy or build new homes. The public taste is being educated to real beauty in home building, and the good housewife who sees in her magazines the pictures of homes she knows others admire is not going to be satisfied with anything less than good architectural lines and fine finishes.

That is not all of it, though, not by a great measure. The purchaser of today wants real value. He—perhaps more frequently she—wants to see that the house is built right, artistic and good in its details as well as in its lines. Architects and builders have been quick to welcome this discerning spirit. They promote it in every way, through model home construction and publication of good designs.

In this they are backed by the

lumber dealers, especially. Time was when people ordered just lumber. Now they order lumber with great particularity. The dealer must have good material in stock and he must have the right materials as well. Given these and a sense of the right way in which to deal with people, he has no reason to anticipate any dullness this year.

In this city, one is not able to find a better service in lumber and building supplies than that given by R. W. Hack Lumber Co. Here customer's wants are looked after with painstaking care, prompt service and courteous treatment—three things that make it a pleasure to deal with them, and the large stock of lumber offers a choice in wide variety. The company extends to those planning the erection or remodeling of any kind of a structure a cordial invitation to come in and talk it over.

## Proper Care Of Eyes Becomes Matter Of Great Importance

(Editor's note—This article on "Eyeweight and Its Relation to Health and Efficiency" is written and submitted by C. V. Smith, veteran Salem optometrist.)

BY C. V. SMITH

As we depend upon our eyes for nearly all our labors and pleasures, their care is a matter of constantly increasing importance.

For those who have not given the matter study, the conditions under which the eyes must do their work are too little understood.

With normal eyes, a very large portion of the enervation possessed by each person is used to perform the function of vision. But when the eyes are abnormal, the drain upon the nervous energy is many times the cause of serious disturbances.

It is estimated that even a moderate degree of eye strain robs a person of 25 per cent of his nervous energy.

People go about their work carrying this excessive overload, until

some part of their internal economy breaks down and then spend years getting back to normal efficiency, when had they consulted their optometrist and procured glasses to relieve their eye strain, they would have saved themselves months, perhaps years of misery.

The diagnosis of defective vision is an exact science. After a thorough examination, the optometrist is able to say positively whether or not glasses are required. If glasses are needed, no other thing will take their place.

In the last twenty years the demands on the eyes have greatly increased. Moving picture, artificial illumination, complicated labor-saving machines that save the hands, but add to the strain of the eyes have affected eyesight in varying degrees. No other organ of the body has had its labors so greatly increased.

You who use glasses, how long since you have had your eyes examined? Eyes change constantly with the years, the same as all other structures of the body. If every person would have their eyes examined at intervals exceeding two years, we would not have nearly as many half-blind elderly people.

Today there can be no objection to wearing glasses on account of their appearance, because there are now so many styles of glasses that any person can select a style which is becoming to his or her particular type of features.

Take care of your eyes, and your eyes will take care of you.

## WINTER DAMAGES ROOFS OF HOMES

Renewal Necessary Many Times to Insure Protection

Many home owners will find it advisable to renew their roofs this summer. The winters take pretty heavy toll on most kind of roofs, and it is often much more economical to put on an entire new roof than to endeavor to patch the old one. For the last roof you will have to buy the Salem Builders Supply Co. suggests Johns-Manville rigid asbestos shingles.

Moulded under great pressure from asbestos fibers and Portland cement these shingles give a roof of colorful beauty that can be applied right over the old roof.

No dirt or rubbish is caused by the removal of the old shingles, and the old roof still serves as insulation, keeping the house cooler in summer and warmer in winter. These new shingles give permanent protection against repair bills as well as against fire risk. Even white hot heat will not burn them. Sun, wind, ice, snow and rain have no effect on them.

You can select just the colors you want, and the color and texture of Johns-Manville asbestos shingles is permanent. They can be had in the conventional shingle shape or hexagonal. In cost the amount required is not much more than that needed for new shingles, and it is the last expense you will be put to for that roof.

### HARRIS GARAGE REPAIRS AUTOS

General Service to Cars  
Available at Salem  
Auto Company

Auto repair is one of those services that are not easily estimated in advance. Sometimes what appears a very little thing may be found to be rather serious when the trouble is laid bare. Consequently the motoring public is rather at the mercy of the garage mechanic.

If the repair is necessary and the work can be done at once, the owner wants it, but there have been instances where very trivial repairs were made the basis for a big bill. That is one of the many reasons why drivers should know something about the garage to which they entrust their repairs, and should select one that can be depended upon not only for skill but also for square treatment.

Maybe because of this square treatment, among other reasons, the repair business of The Harris Garage and Storage Co. at 485 West State st. has grown to such large proportions. Patrons who know what has been done for them spread the word to their friends. These are so well treated that they become boosters also. Here you will find competent mechanics, proper equipment and the spirit of service. You will be able to get your work done without the time wasting efforts of fellows who do not know how, a feature many motorists spend many a dollar. You will find your work undertaken with system, prosecuted with dispatch and billed with reason—a pretty good combination to tie to.

Motor work, battery attention, frame and body work—all of the things you need to put the car into perfect working order—can be done here and is done every week for many satisfied people, so the list of pleased owners is growing larger every day. Motor work with a conscience has proved a mighty good combination in this establishment, and you will find it worth trying in on this combination.

Made of tubes that telescope, a French inventor's atomizer for perfumes or throat sprays is small enough to be carried in a hand bag.

Persons who want anything know that The News is the Want Medium in this vicinity. So read it.
